APPOINTMENT OF COMMITTEE ON CONFERENCE.

The President announced, in pursuance of the refusal of the Senate on March 1, 1907, to concur in Assembly amendments to Senate Bill No. 54—An Act to appropriate money for the repair and improvement of the pipe line and water system at the Preston School of Industry—that he had appointed Senators Caminetti, Belshaw, and Anderson as a Committee on Conference to meet a like committee from the Assembly on Senate Bill No. 54.

MESSAGES FROM THE GOVERNOR.

The following messages from the Governor were taken up and read:

EXECUTIVE DEPARTMENT, STATE OF CALIFORNIA,
SACRAMENTO, March 8, 1907.

To the Senate of the State of California:

I have the honor to return to your honorable body without my approval Senate Bill No. 129—An Act to repeal Section 491 of the Penal Code of the State of California—and submit the following reasons therefor:

Section 491 declares that dogs are personal property, and their value is to be ascertained in the same manner as the value of other property.

The purpose of this Act is to fix the measure of punishment that shall be meted out to the one guilty of the larceny of such property.

Three bills have been introduced following the same general plan, intending to create a new grade of felony. These bills are numbered 128, 129, and 130.

Bill No. 128 defines the crime of grand larceny as at present, with the exception that the stealing of a bicycle is not necessarily grand larceny, but the degree of the crime is to be determined by the value of the bicycle taken. If such value is over the sum of fifty dollars, it shall be grand larceny, if under that sum, petty larceny. This bill I have approved.

Bill No. 130 provides that the stealing of a bicycle, jack, jenny, or dog is punishable by imprisonment in the State prison or in the county jail not exceeding two years, or by a fine not exceeding \$1,000, or by both.

By specifically naming the article that may be stolen, it would no longer be necessary to allege or prove the value; so in the present case, if bill 130 were approved, the stealing of a dog, regardless of its value, would be punishable by imprisonment not exceeding two years or by a fine not exceeding \$1,000, or by both such fine and imprisonment.

This leaves the matter of the punishment entirely in the hands of the court, and takes away from the jury all right to determine the value of the stolen dog.

In my opinion it is much better to leave the law in its present condition, so far as dogs are concerned, making the punishment more severe as the value of the stolen property increases.

J. N. GILLETT,
Governor of the State of California.

The question being, "Shall the bill become a law, notwithstanding the objections of the Governor?"

The roll was called, and the Governor's veto to Senate Bill No. 129 sustained by the following vote:

AYES—None.

NOES—Senators Anderson, Anthony, Bell, Belshaw, Black, Boynton, Broughton, Curtin, Keane, Kennedy, Leavitt, Lynch, Mattos, McCartney, McKee, Miller, Muentzer, Rambo, Reily, Rush, Savage, Walker, Weed, Willis, Wolfe, and Wright—28.

Also:

EXECUTIVE DEPARTMENT, STATE OF CALIFORNIA,
SACRAMENTO, March 8, 1907.

To the Senate of the State of California:

I have the honor to return to your honorable body, without my approval, Senate Bill No. 28—An Act to amend Section 10 of an Act entitled "An Act authorizing certain corporations to act as executor and in other capacities, and to provide for and regulate the administration of trusts by such corporations," approved April 6, 1891, relating to deposits in bonds or mortgages accompanied by a certificate of title or abstract of title—and present the following reasons therefor:

Under Section 10 of the present Act, it is the duty of the depositing company to furnish an abstract of title and to pay the fees for the examination of such abstract. These fees are limited and determined by the Act itself and cannot be in excess of the amounts therein named.

Under the proposed bill, the depositing company may furnish an abstract of title or a policy of title insurance, or a certificate of title, issued by a duly organized title insurance company.

A certificate of title, in my opinion, does not give the same security that would be given by an examination of a full abstract of the title.

A further objection to the bill arises from the fact that where the abstract is furnished, there is no limit placed upon the fees that may be charged the depositing company, and in the absence of such limitation the expenses might be made so onerous that they might result in great injustice to the depositing company.

J. N. GILLETT,
Governor of the State of California.

The question being, "Shall the bill become a law, notwithstanding the objections of the Governor?"

The roll was called, and the Governor's veto to Senate Bill No. 28 sustained by the following vote:

AYES—None.

NOES—Senators Anderson, Anthony, Bates, Bell, Belshaw, Boynton, Broughton, Caminetti, Curtin, Keane, Kennedy, Leavitt, Lynch, Markey, Mattos, McCartney, McKee, Miller, Rambo, Reily, Rush, Savage, Walker, Weed, Willis, Wolfe, and Wright—27.

Also:

EXECUTIVE DEPARTMENT, STATE OF CALIFORNIA,
SACRAMENTO, March 8, 1907.

To the Senate of the State of California:

I have the honor to return to your honorable body, without my approval, Senate Bill No. 262—An Act to add a new section to the Political Code of the State of California, to be known as Section 2979a, relating to the duties of the State Board of Health—and present the following reasons therefor:

This is an Act purporting to add a new section to the Political Code, to be known as Section 2979a. There is already such a section in the Political Code upon an entirely different subject, and the approval of this measure would only produce confusion.

J. N. GILLETT,
Governor of the State of California.

The question being, "Shall the bill become a law, notwithstanding the objections of the Governor?"

The roll was called, and the Governor's veto to Senate Bill No. 262 sustained by the following vote:

AYES—None.

NOES—Senators Anderson, Anthony, Bates, Bell, Belshaw, Black, Boynton, Caminetti, Carter, Cartwright, Curtin, Keane, Kennedy, Leavitt, Lynch, Markey, Mattos, McCartney, McKee, Miller, Rambo, Reily, Savage, Walker, Weed, Willis, Wolfe, and Wright—28.

Also:

EXECUTIVE DEPARTMENT, STATE OF CALIFORNIA,
SACRAMENTO, March 8, 1907.

To the Senate of the State of California:

I have the honor to return to your honorable body, without my approval, Senate Bill No. 130—An Act to add a new section to the Penal Code of California, to be numbered 490a, providing therein for the punishment of the larceny of bicycles, jacks, jennies, and dogs—and present the following reasons therefor:

Under Section 487, Subdivision 3, the stealing of a jack or jenny is grand larceny, the stealing of a bicycle or of a dog is either grand or petty larceny, dependent upon the value of the property stolen.

For the reasons given in my message vetoing Senate Bill No. 129, I feel that it is better to leave to the jury the right to determine the value of the bicycle or dog stolen, and for the reasons there given I return to you this bill without my approval.

J. N. GILLETT,
Governor of the State of California.

The question being, "Shall the bill become a law, notwithstanding the objections of the Governor?"

The roll was called, and the Governor's veto to Senate Bill No. 130 sustained by the following vote:

AYES—None.

NOES—Senators Anderson, Anthony, Bates, Bell, Belshaw, Boynton, Broughton, Caminetti, Carter, Cartwright, Keane, Kennedy, Leavitt, Lynch, Mattos, McCartney, McKee, Miller, Nelson, Price, Rambo, Reily, Savage, Willis, Wolfe, and Wright—26.

Also:

EXECUTIVE DEPARTMENT, STATE OF CALIFORNIA,
SACRAMENTO, March 8, 1907.

To the Senate of the State of California:

I have the honor to return to your honorable body, without my approval, Senate Bill No. 101—An Act to amend Section 2981 of the Political Code of the State of California, relating to meetings of the State Board of Health—and present the following reasons therefor:

Under the law at present, regular meetings of the State Board of Health shall be held in the City of Sacramento once every three months. By the proposed amendment the president may designate any other place for the purpose of holding such regular meetings. The office of the secretary is located in the City of Sacramento, and I do not consider it proper that the place of the regular meetings of this board should be left to the discretion of the president, but the regular meeting place should be in the future, as it is now, in the City of Sacramento, where the office of the secretary is.

J. N. GILLETT,
Governor of the State of California.

The question being, "Shall the bill become a law, notwithstanding the objections of the Governor?"

The roll was called, and the Governor's veto to Senate Bill No. 101 sustained by the following vote:

AYES—None.

NOES—Senators Anderson, Anthony, Bates, Bell, Broughton, Caminetti, Carter, Cartwright, Curtin, Keane, Kennedy, Leavitt, Lynch, Markey, Mattos, McCartney, McKee, Miller, Nelson, Price, Rambo, Reily, Savage, Walker, Weed, Willis, Wolfe, and Wright—28.

COMMITTEE SUBSTITUTE FOR SENATE JOINT RESOLUTION No. 7.

WHEREAS, There are now in the United States 150,000 Japanese and 12,000 Koreans, an undesirable class that are prejudicial to the laboring interests of this country; and

WHEREAS, Such immigration has been increasing in alarming proportions during the past few years (14,000 Japanese immigrants having landed on this coast in 1906), and threatens to affect the body politic of the entire Nation, both economically and ethnologically; and

WHEREAS, The President of the United States has, in a recent message to Congress, strongly urged the passage of a special Act to naturalize Japanese, a race that can not be assimilated by the Caucasian race; and

WHEREAS, Instead of extending the elective franchise by adding a large and undesirable element to our voting population, our endeavor should be to thoroughly American-

ize our already large foreign population and safeguard and elevate our citizenship by all reasonable restrictions; therefore be it

Resolved by the Senate and Assembly of the State of California, jointly. That we oppose further Japanese immigration and favor the extension of the immigration laws so as to include Japanese, Koreans, and all other Asiatic peoples, and we hereby urge our Senators and Representatives in Congress to use all honorable means to secure the passage of such a measure.

Be it further resolved. That we most strenuously oppose the proposition to naturalize Japanese and extend the elective franchise to the alien-born of that race as being inimical to the welfare of the American people, and we hereby instruct our Senators and Representatives in Congress to use every honorable means within their power to combat such pernicious legislation.

REPORT OF SPECIAL COMMITTEE—(OUT OF ORDER).

The following report of special committee was received and read:

ON INVESTIGATION OF SALES OF JUTE BAGS MADE IN SAN QUENTIN PRISON.

MR. PRESIDENT: Your Special Committee of Investigation, appointed February 21, 1907, pursuant to the following resolution:

WHEREAS, The State of California is maintaining at the State Prison at San Quentin a factory for the manufacture of jute bags; and

WHEREAS, In addition to a large revolving fund required to carry on said work, a considerable sum of money is invested in machinery and other appliances used in said factory; and

WHEREAS, Said bag factory was established to provide employment for the prisoners and for the benefit of such of the tax payers of this State as are engaged in the occupation of farming, and not for the purpose of enabling speculators to secure control of the output of said factory, raise the price of said bags, and thus injure the farmers of California; and,

WHEREAS, It is rumored that the product of said factory for the year 1906 was unlawfully cornered by certain speculators, who, by reason of the monopoly so created, increased the cost of grain bags to the farmers of California on an average of fifty per cent; and,

WHEREAS, It is reported that the output of such factory for the year 1907 has been, or is about to be, secured by the same, or other, speculators; and

WHEREAS, The monopoly of the product of such factory works a grave injury to the farming industry and those interested therein, and enables the parties so speculating to unlawfully enrich themselves at the expense of the State of California; therefore, be it

Resolved, That a special committee of five Senators be appointed by the President of this Senate to investigate the alleged unlawful purchases by speculators of the output of the bag factory at San Quentin for the years 1906 and 1907, with the view of ascertaining whether the Act regulating the sale of such product has been violated by any person or persons; and for that purpose, said committee be and it is hereby empowered to issue all necessary subpoenas, to have full power to send for persons, books, and papers, and to compel the attendance of any and all necessary witnesses within the State, and to require the production of any and all necessary papers, books, or documents in order that the powers herein given may be fully carried out; and that it shall report the result of its investigations with such recommendations thereon as it may deem proper and necessary, to this Senate at the earliest possible moment;

And be it further resolved, That the Attorney-General of the State of California be and he is hereby requested to attend such investigation in behalf of the State.

Begs leave to submit the following report:

Your committee met immediately, and has made as thorough an investigation of the matters referred to in the resolution as the brief time allotted them would permit.

Based upon the testimony taken, we respectfully submit the following findings:

First. That during the years 1906 and 1907, the bulk of the output of jute bags at San Quentin was sold to ten or fifteen firms acting as agents for farmers.

Second. That the applications and affidavits on which such sales were made were, in many instances, executed prior to the date on which the price of bags was fixed.

Third. That applications and affidavits for practically one half of the output for the year 1907 were filed at San Quentin by one firm on the same day the price of bags for the present season was fixed.

Fourth. That during the years 1906 and 1907 the Board of Prison Directors, acting in good faith, fixed the price of bags as required by the statute and passed proper resolutions instructing the warden to sell the same as directed by law. That owing to a misconstruction of the Act by the commissary at San Quentin (the official who has full charge of the sale of grain bags), the proper legal notice of the sale of said bags was not given.

Your committee also makes the following recommendation:

First. That in all future sales the Board of Prison Directors proceed to advertise the sale of the output for the year by publishing a legal notice for one week in four newspapers published as follows: one in the City and County of San Francisco, one in San Joaquin Valley, one in the Salinas Valley, and one in the Sacramento Valley, said notice to state the terms and conditions upon which jute bags will be sold by the State.

Second. That applications be received up to and including fifteen days after the first publication of said notice; that the board thereupon sell said bags in accordance with the provisions of the Act as amended in 1905; that if more applications be received than can be filled, based upon the estimated output to July first next, said orders be filled pro rata.

Third. We further recommend that the Board of Prison Directors adopt a plan similar to the one hereinabove outlined to govern sales made during future seasons.

Your committee is under obligations to those members of the Board of Prison Directors who could be consulted for information rendered and valuable suggestions offered during its investigation.

We further recommend that a copy of this report be forwarded to the Board of Prison Directors forthwith.

Respectfully submitted.

HENRY W. LYNCH.
J. CLEM BATES.
H. S. G. MCCARTNEY.

Dated, Sacramento, Cal., March 9, 1907.

As the minority member of your special committee of investigation appointed February 21, 1907, pursuant to the resolution set forth in the report of the majority, I concur in the findings in said report, but I cannot accept the recommendations therein set forth, and in lieu thereof respectfully offer the following:

First. That all sales of jute bags heretofore made for the present season be canceled.

Second. That the Board of Prison Directors proceed to advertise the sale of the output for the year 1907 by publishing a legal notice for one week in four newspapers published as follows: One in the City and County of San Francisco, one in the San Joaquin Valley, one in the Salinas Valley, and one in the Sacramento Valley; said notice to state the terms and conditions upon which jute bags will be sold by the State.

Third. That applications be received up to and including fifteen days from the first publication of said notice; that the board thereupon sell said bags in accordance with the provisions of the Act as amended in 1905; that if more applications be received than can be filled based upon the estimated output to July first next, said orders be filled pro rata.

CONSIDERATION OF SPECIAL ORDER.

The hour having arrived for the consideration of the special order heretofore set for this day, being the consideration of the report of the special committee on investigation of sales of jute bags made in San Quentin prison, together with the minority report, the same was taken up for consideration.

REPORT OF SPECIAL COMMITTEE ON INVESTIGATION OF SALES OF JUTE BAGS MADE IN SAN QUENTIN PRISON.

MR. PRESIDENT: Your Special Committee of Investigation, appointed February 21, 1907, pursuant to the following resolution:

WHEREAS, The State of California is maintaining at the State Prison at San Quentin a factory for the manufacture of jute bags; and

WHEREAS, In addition to a large revolving fund required to carry on said work, a considerable sum of money is invested in machinery and other appliances used in said factory; and

WHEREAS, Said bag factory was established to provide employment for the prisoners and for the benefit of such of the taxpayers of this State as are engaged in the occupation of farming, and not for the purpose of enabling speculators to secure control of the output of said factory, raise the price of said bags, and thus injure the farmers of California; and

WHEREAS, It is rumored that the product of said factory for the year 1906 was unlawfully cornered by certain speculators, who, by reason of the monopoly so created, increased the cost of grain bags to the farmers of California on an average of fifty per cent; and

WHEREAS, It is reported that the output of such factory for the year 1907 has been, or is about to be, secured by the same, or other, speculators; and

WHEREAS, The monopoly of the product of such factory works a grave injury to the farming industry and those interested therein, and enables the parties so speculating to unlawfully enrich themselves at the expense of the State of California; therefore, be it

Resolved, That a special committee of five Senators be appointed by the President of this Senate to investigate the alleged unlawful purchases by speculators of the output of the bag factory at San Quentin for the years 1906 and 1907, with the view of ascertaining whether the Act regulating the sale of such product has been violated by any person or persons; and for that purpose, said committee be and it is hereby empowered to issue all necessary subpoenas, to have full power to send for persons, books, and papers, and to compel the attendance of any and all necessary witnesses within the State, and to require the production of any and all necessary papers, books, or documents in order that the powers herein given may be fully carried out; and that it shall report the result of its investigations with such recommendations thereon as it may deem proper and necessary to this Senate at the earliest possible moment.

And be it further resolved, That the Attorney-General of the State of California be and he is hereby requested to attend such investigation in behalf of the State.

Begs leave to submit the following report:

Your committee met immediately, and has made as thorough an investigation of the matters referred to in the resolution as the brief time allotted them would permit.

Based upon the testimony taken, we respectfully submit the following findings:

First. That during the years 1906 and 1907, the bulk of the output of jute bags at San Quentin was sold to ten or fifteen firms acting as agents for farmers.

Second. That the applications and affidavits on which such sales were made, were, in many instances, executed prior to the date on which the price of bags was fixed.

Third. That applications and affidavits for practically one half of the output for the year 1907 were filed at San Quentin by one firm on the same day the price of bags for the present season was fixed.

Fourth. That during the years 1906 and 1907 the Board of Prison Directors, acting in good faith, fixed the price of bags as required by the statute and passed proper resolutions instructing the warden to sell the same as directed by law. That owing to a misconception of the Act by the commissary at San Quentin (the official who has full charge of the sale of grain bags), the proper legal notice of the sale of said bags was not given.

Your committee also makes the following recommendations:

First. That in all future sales the Board of Prison Directors proceed to advertise the sale of the output for the year by publishing a legal notice for one week in four newspapers published as follows: One in the City and County of San Francisco, one in San Joaquin Valley, one in Salinas Valley, and one in the Sacramento Valley, said notice to state the terms and conditions upon which jute bags will be sold by the State.

Second. That applications be received up to and including fifteen days after the first publication of said notice; that the board thereupon sell said bags in accordance with the provisions of the Act as amended in 1905; that if more applications be received than can be filled, based upon the estimated output to July first next, said orders be filled pro rata.

Third. We further recommend that the Board of Prison Directors adopt a plan similar to the one hereinabove outlined to govern sales made during future seasons.

Your committee is under obligations to those members of the Board of Prison Directors who could be consulted for information rendered and valuable suggestions offered during its investigation.

We further recommend that a copy of this report be forwarded to the Board of Prison Directors forthwith.

Respectfully submitted.

HENRY W. LYNCH.
J. CLEM BATES.
H. S. G. MCCARTNEY.

Dated, Sacramento, Cal., March 9, 1907.

MINORITY REPORT.

As the minority member of your special committee of investigation appointed February 21, 1907, pursuant to the resolution set forth in the report of the majority, I concur in the findings in said report, but I can not accept the recommendations therein set forth, and in lieu thereof respectfully offer the following:

First. That all sales of jute bags heretofore made for the present season be canceled.

Second. That the Board of Prison Directors proceed to advertise the sale of the output for the year 1907 by publishing a legal notice for one week in four newspapers published as follows: One in the City and County of San Francisco, one in the San Joaquin Valley, one in the Salinas Valley, and one in the Sacramento Valley; said notice to state the terms and conditions upon which jute bags will be sold by the State.

Third. That applications be received up to and including fifteen days from the first publication of said notice; that the board thereupon sell said bags in accordance with the provisions of the Act as amended in 1905; that if more applications be received than can be filled, based upon the estimated output to July first next, said orders be filled pro rata.

Fourth. That the Board of Prison Directors adopt a plan similar to the one hereinabove outlined to govern sales made during future seasons.

Fifth. That a copy of this report be forwarded to the Board of Prison Directors forthwith.

Respectfully submitted.

Whenever any person duly subpoenaed to appear and give evidence, or to produce any books and papers, as herein provided, shall neglect or refuse to appear, or to produce such books and papers, as required by such subpoena, or shall refuse to testify before such board or committee, or to answer any questions which a majority thereof shall decide to be proper and pertinent, he shall be deemed in contempt, and it shall be the duty of the chairman of the board, or of the committee, as the case may be, to report the fact to the judge of the superior court of the county, or of the city and county, who shall thereupon issue an attachment in the form usual in the court of which he shall be judge, directed to the sheriff of the county where such witness was required to appear and testify, commanding the said sheriff to attach such person, and forthwith bring him before the judge by whose order such attachment was issued.

4069. On the return of the attachment and the production of the body of the defendant, the said judge shall have jurisdiction of the matter, and the person charged may purge himself of the contempt in the same way, and the same proceedings shall be had, and the same penalties may be imposed, and the same punishment inflicted as in the case of a witness subpoenaed to appear and give evidence on the trial of a civil cause before a superior court.

4070. The witnesses summoned to testify on behalf of the county in matters of public concern before the board of supervisors are not entitled to have their fees prepaid; but the board must allow them the reasonable expenses of their attendance.

ARTICLE VIII.

LIABILITIES.

Section 4071. Liabilities not to exceed revenue.

4071. The board must not, for any purpose contract debts or liabilities, in any manner or for any purpose, which exceed in any fiscal year the income and revenue provided for such year, except as permitted by the constitution. It shall be the duty of the auditor, at the commencement of each regular session of the board, to lay before it a statement prepared by him of the aggregate amount of allowance against each fund and of salaries and liabilities fixed by law, paid or payable therefrom, since the beginning of the fiscal year, together with a statement of receipts of each fund for that portion of the year already elapsed, and an exact estimate of the revenue for the remainder of the year apportioned to the different funds, based upon the receipts for the corresponding portion of the preceding year. Whenever the board shall have levied the state and county tax for the fiscal year, the auditor's estimates for the remainder of the year shall, as to receipts from property tax, be based upon the assessment roll and tax levy, deducting ten per cent for the anticipated delinquencies. Up to and including the 1st day of January in each fiscal year the board shall have no power for any purpose to contract debts or liabilities in any manner or for any purpose nor to make any allowances against any funds, which with all the debts and liabilities previously incurred and with all allowances previously made, and salaries and liabilities fixed by law payable therefrom, shall exceed seventy per cent of the auditor's estimate of revenue for the year, except to build or repair roads and bridges which have been destroyed or made impassable by flood or fire. Any debts or liabilities contracted in any manner or for any purpose and any allowances made contrary to the provisions of this section shall be null and void and the auditor shall not draw his warrant therefor nor the treasurer pay the same. When several allowances are made on the same day, they shall be deemed to have been made in the order in which they are entered in the "allowance book," and shall be certified in that order by the auditor.

ARTICLE IX.

Section 4072. Plans, etc., not to be altered.

4073. Contracts not to be altered, etc.

4073. Whenever the board of supervisors shall enter into a contract for the erection, construction, alteration, or repair of any public building, bridge, or other structure, such contract shall not be altered or changed in any manner, unless they shall, by a vote of two thirds of their number, and with the consent of the contractor, first so order. And whenever any such change or alteration is so ordered, the particular change or alteration shall be specified, in writing, and the cost thereof agreed upon between the board and the contractor. In no case shall the board pay or become liable for any extra work done on, or extra material furnished for, such building or structure.

Any person may appear before the board and oppose the allowance of any claim or demand made against the county.

4075. The board of supervisors must not hear or consider any claim in favor of any public officer, person, corporation, company, or association against the county, nor shall the board credit or allow any claim or bill against the county or district fund, unless the same be itemized, giving names, dates and particular services rendered, character of process served, upon whom, distance traveled, where and when, character of work done, number of days engaged, supplies or materials furnished, to whom, and quantity and price paid therefor, duly verified to be correct, and that the amount claimed is justly due, and is presented and filed with the clerk of the board within a year after the last item of the account or claim accrued. If, in case of any claim which requires itemizing, the board do not hear or consider the same because it is not itemized, they shall cause notice to be given to the claimant or his attorney of that fact, and give time to have the claim itemized and reverified.

4076. No account shall be passed upon by the board, unless made out as prescribed in this and the preceding section and filed with the clerk three days prior to the time of the meeting of the board at which it is asked to be allowed.

4077. When the board finds that any claim presented is not payable by the county, or is not a proper county charge, it must be rejected, and said rejection shall be plainly indorsed on said claim; if they find it to be a proper county charge, but greater in amount than is justly due, the board may allow the claim in part, and draw a warrant for the portion allowed, on the claimant filing a receipt in full for his amount. If the claimant is unwilling to receive such amount in full payment, the claim may again be considered at the next regular session of the board, but not afterward.

4078. If the board refuse or neglect to allow or reject a claim or demand for ninety days after the same has been filed with the clerk, such refusal or neglect may, at the option of the claimant, be deemed a consent to a final action and rejection on the matter filed, and a claimant dissatisfied with the rejection of his claim or demand, or with the amount allowed him on his demand, may sue the county therefor at any time within six months after the time action of the board, but not afterward, and if, in such action, judgment is rendered in favor of the claimant, the board, on presentation of a certified copy of the judgment, the board must allow and pay the same, together with the costs adjudged, but if no money is recovered then the board allowed, the board must pay the amount no more than was originally allowed.

4079. All claims against the county, presented by members of the board of supervisors for pay, diet, and mileage, or other service rendered by them, must be itemized and verified as other claims, and must state that the service has been actually rendered, and before allowance such claims must be presented to the district attorney, who must indorse thereon, in writing, his opinion as to the legality thereof. If the district attorney declare the claim or any part thereof, illegal, he must state specifically wherein it is illegal, and the claim, or such part, must then be rejected by said board.

4087. The general fund shall consist of moneys received into the treasury and not specially appropriated to any other fund.

ARTICLE XIII.

ISSUANCE OF BONDS.

Section 4088. Issuance of bonds for certain purposes; proceedings on.

4088. Any county having an existing indebtedness, evidenced by bonds or warrants thereof, may reduce such indebtedness and issue bonds of the county therefor, and any county may incur or incur a bonded indebtedness for any purposes for which the board of supervisors are herein authorized to expend the funds of said county, or for the purpose of borrowing or constructing roads, bridges or highways. Such indebtedness shall be reduced or incurred in the following manner, to-wit: The board of supervisors thereof shall by order specify the purpose for which the

indebtedness is to be incurred, the amount of bonds which they propose to issue, the rate of interest, and the number of years, not exceeding forty, the whole or any part of said bonds are to run, and shall further provide for submitting the question of the issuance of said bonds to the qualified electors of the county at the next general election, or at a special election to be called by the board for that purpose, and the words to appear upon the ballot shall be "Bonds—Yes," and "Bonds—No," or words of similar import, together with a general statement of the amount and purpose of the bonds to be issued. Several separate propositions may be submitted at the same election. If a special election is called, none but qualified voters of the county shall be permitted to vote thereat, and it shall be held as nearly as practicable in conformity with the general election law of the state; *provided, however*, that for the holding of such special election the board may form bond election precincts by adopting the precincts established for general election purposes, or by consolidating such precincts inside of incorporated cities and towns, to a number not exceeding six in each bond election precinct, and shall appoint only one inspector, two judges and one clerk for each bond election precinct. Notice shall be given of such election by publication in one or more newspapers published in the county, once a week for at least four weeks, or daily for not less than thirty days, prior to said election. If there be no such newspaper, then by posting the same conspicuously in five public places in said county at least thirty days before said election. Such notice must contain the time and place or places of holding such election, the names of election officers to conduct the same, the amount and denomination of the bonds, the rate of interest to be paid, and the number of years, not exceeding forty, the whole or any part of such bonds are to run. If any election officers so named in such notice are not present at the opening of the polls, the electors present may appoint election officers to take the place of such election officers so absent. If two thirds of the electors of the county voting at such an election shall vote in favor of issuing such bonds, the board must proceed to issue the amount of bonds specified; *provided*, that the total amount of bonded indebtedness shall at no time exceed five per cent of the taxable property of the county, as shown by the last equalized assessment book thereof. This limitation shall not apply to bonds which may be issued to refund an indebtedness existing January first, eighteen hundred and eighty. The board of supervisors, by an order entered upon its minutes, shall prescribe the form of said bonds, and of the interest coupons attached thereto, and fix the time when the whole or any part of the principal of said bonds shall be payable, which shall not be more than forty years from the date thereof; and said board may also, at their option, by a provision in such bonds, make such principal payable on or before a specified date, at the pleasure of the county. Said bonds may be issued in denominations not to exceed one thousand dollars and not less than one hundred dollars; principal and interest payable in gold coin of the United States, either at the treasury of said county, or at such place within the United States as such board may designate, or both at such treasury or such designated place, at the option of the bondholder. Interest on said bonds shall not exceed six per cent per annum, payable annually or semi-annually, as said board may designate. Said bonds shall be signed by the chairman of the board of supervisors, and attested by the auditor of said county, and have the seal of the board of supervisors attached, and said coupons shall be signed by said auditor by original or lithographed fac simile signature; and said bonds shall be sold at the times, in the amounts and in the manner prescribed by said board of supervisors, but for not less than par. The board of supervisors, at the time of making the next general tax levy after incurring the indebtedness of any bonds issued under the provisions of this title, and annually thereafter until all of said bonds are paid, or until there shall be a sum in the treasury of the county set apart for that purpose sufficient to meet all sums coming due for principal and interest on such bonds, must levy a tax for that year upon the taxable property of said county for the interest and redemption of said bonds, which shall be in addition to all other taxes, and such tax must not be less than sufficient to pay the interest on said bonds, and such portion of the principal, if any, as is to become due before the time for making the next general tax levy, and in any event must be sufficient to raise annually for the first half of the term said bonds have to run, a sufficient sum to pay the interest thereon; and during the balance of the term sufficient to pay such annual interest, and to provide annually a proportion of the principal of said bonds equal to a sum produced by taking the whole amount of said bonds outstanding and dividing it by the number of years said bonds then have to run. And the board of supervisors, before or at the time of issuing said bonds by ordinance shall provide for the levy of an annual tax sufficient to effect the objects of this provision. Such tax, when collected, shall be paid into the treasury of the county, and used solely to pay the interest and principal of said bonds as they respectively become due.

The revenue derived from the sale of said bonds shall be applied to the purpose specified in the order of the board, and no other. Should there be any surplus, it shall be applied toward the payment of said bonds. The board of supervisors of any county can contract a bonded indebtedness for county purposes only as in this title provided.

In issuing bonds under this title, the board of supervisors may, at its option, use the following form of bond and coupon:

County Auditor."

If the board of supervisors of any county which has issued bonds under the provisions of this title shall fail to make the levy necessary to pay such bond or interest coupons at maturity, and the same shall have been presented to the county treasurer and the payment thereof refused, the owner may file the bond, together with all unpaid coupons, with the state controller, taking his receipt therefor, and the same shall be registered in the state controller's office; and the state board of equalization shall, at their next session, and at each annual equalization thereafter, add to the state tax to be levied in said county, a sufficient rate to realize the amount of principal or interest past due and to become due prior to the next levy, and the same shall be levied and collected as a part of the state tax and paid into the state treasury and passed to the special credit of such county as bond tax, and shall be paid by warrants, as the payments mature, to the holder of such registered obligations, as shown by the register in the office of the state controller, until the same shall be fully satisfied and discharged, any balance then remaining being passed to the general account and credit of said county.

4163. A sheriff who suffers the escape of a person arrested in a civil action, without the consent or connivance of the party in whose behalf the arrest or imprisonment is made, is liable as follows:

1. When the arrest is upon an order to hold to bail, or upon a surrender in exoneration of bail before judgment, he is liable to the plaintiff as bail.

2. When the arrest is on an execution or commitment to enforce the payment of money, he is liable for the amount expressed in the execution or commitment.

3. When the arrest is on an execution or commitment other than to enforce the payment of money, he is liable for the actual damages sustained.

4. Upon being sued for damages for an escape or rescue, he may introduce evidence in mitigation and exoneration.

4164. He is liable for the rescue of a person arrested in a civil action, equally as for an escape.

4165. An action cannot be maintained against the sheriff for a rescue, or for an escape of a person arrested upon an execution or commitment, if, after his rescue or escape, and before the commencement of the action, the prisoner returns to the jail, or is retaken by the sheriff.

4166. No direction or authority by a party or his attorney to a sheriff, in respect to the execution of process or return thereof, or to any act or omission relating thereto, is available to discharge or excuse the sheriff from a liability for neglect or misconduct, unless it is contained in a writing, signed by the attorney of the party, or by the party, if he has no attorney.

4167. When the sheriff is committed, under an execution or commitment, for not paying over money received by him by virtue of his office, and remains committed for sixty days, his office is vacant.

4170. The sheriff in attendance upon court must act as the crier thereof, call the parties and witnesses, and all other persons bound to appear at the court, and make proclamation of the opening and adjournment of the court, and of any other matter under its direction.

4171. Service of a paper, other than process, upon the sheriff may be made by delivering it to him or to one of his deputies, or to a person in charge of the office during office hours; or, if no such person be there, by leaving it in a conspicuous place in the office. When any process remains with the sheriff unexecuted, in whole or in part, at the time of his death, resignation of office, or at the expiration of his term of office, said process shall be executed by his successor or successors in office; and when the sheriff sells real estate, under and by virtue of an execution or order of court, he or his successors in office shall execute and deliver to the purchaser or purchasers all such deeds and conveyances as are required by law and necessary for the purpose, and such deeds and conveyances shall be as valid in law as if they had been executed by the sheriff who made the sale.

4172. When the sheriff is a party to an action or proceeding, the process and orders therein, which it would otherwise be the duty of the sheriff to execute, must be executed by the coroner of the county: *provided*, when any action is begun against the sheriff, all process and orders may be served by any person, a citizen of the United States over the age of eighteen years, in the manner provided in the Code of Civil Procedure.

4173. Process or orders in an action or proceeding may be executed by a person residing in the county, designated by the court, or the judge thereof, and denominated an elisor, in the following cases:

1. When the sheriff and coroner are both parties;
2. When either of these officers is a party, and the process is against the other; and
3. When either of these officers is a party, and there is a vacancy in the office of the other, or where it appears, by affidavit, to the satisfaction of the court in which the proceeding is pending, or the judge thereof, that both of these officers are disqualified, or by reason of any bias, prejudice, or other cause, would not act promptly or impartially.

When process is delivered to an elisor, he must execute and return it in the same manner as the sheriff is required to execute similar process. Whenever process is executed, or any act performed by a coroner or elisor, in the cases provided by law in that behalf, such coroner or elisor shall be entitled to receive a reasonable compensation, to be fixed by the court, to be paid by the plaintiff in case of the summoning of jurors to complete the panel, and by the person or party requiring the service in all other cases in private action. If rendered at the instance of the people, it shall be audited and paid as a county charge.

4174. The sheriff must perform such other duties as are required by law.

4175. There shall be allowed by the state board of examiners, to the sheriff, to be retained by him for his own use, for delivering a prisoner to either of the state prisons, actual expenses and five dollars per diem for the time necessarily consumed in delivering such prisoner.

4176. Rifle Clubs.

The Secretary of War having approved of the plans of the National Board for the Promotion of Rifle Practice (appointed by Act of Congress) for the organization of Government Rifle Clubs throughout the country, the following information concerning same is published for the information and guidance of all concerned:

First—Twenty citizens between the ages of sixteen and forty-five in any locality may organize a club.

Second—The by-laws for such clubs as approved by the National Board and the Secretary of War are enclosed herewith.

Third—After organization the club affiliates with the National Rifle Association of America in conformity with a resolution of the National Board and approved by the Secretary of War March 23, 1904.

Fourth—The National Rifle Association presents annually to affiliated clubs a medal, mounted in a morocco case, suitably inscribed, for competition among its members, and the results of such competition are published in the annual report of the association.

Fifth—All members of affiliated clubs are eligible to compete for a National Marksman's Reserve qualification, and on qualification will be given a lapel button and listed in the War Department. Official score sheets are furnished to clubs, who may charge an entrance fee for entries to their members if they so desire.

Sixth—Under the provisions of an act of Congress approved March 3, 1905, the Secretary of War is authorized to sell, at the prices at which they are listed for the Army, upon the request of the governors of the several States and Territories, such magazine rifles belonging to the United States as are needed for the equipment of the Army and the organized militia, for the use of rifle clubs formed under regulations prepared by the National Board for the Promotion of Rifle Practice and approved by the Secretary of War. The Secretary of War is also authorized by the same Act, in his discretion, to sell, for the use of such clubs, ammunition, ordnance stores, and equipments of the Government standard at the prices at which they are listed for the Army. Revolvers are included under ordnance stores.

Strike out all after the title and insert as follows:

WHEREAS, The Federal Government claims that certain mistakes have been made in the past wherein and whereby the State of California has received and there has been listed to the State 40,000 acres or thereabouts of the public domain in excess of the just amount of lands that the State of California was entitled to under the grant in lieu of

sixteenth and thirty-sixth sections, and that the State of California should restore to the United States an area equal to such excess listings to be taken from the sixteenth and thirty-sixth sections within forest reservations; and

WHEREAS, The State maintains that such claim is barred by the provisions of the Act of Congress of March 1, 1877, found in Volume 19 of the United States Statutes, page 287, confirming the title of the State to selections listed prior thereto, and also by the Act of Congress of March 3, 1891, found in Volume 26 of the United States Statutes, page 1095, limiting the time within which the United States can begin suits to vacate and annul patents; now, therefore,

The people of the State of California, represented in Senate and Assembly, do enact as follows:

SECTION 1. The Surveyor-General of the State of California is hereby authorized, on or before July 1, 1907, to enter into a stipulation with the Secretary of the Interior of the United States of America, which shall provide that the question as to whether or not the United States is now entitled under the laws of the United States to claim anything of the State of California by virtue of such previous listings, shall be submitted to the Attorney-General of the United States for his opinion, and if the opinion of that official is rendered in favor of the contention of the State of California, that then, and in that event, such opinion shall be final, and shall be binding upon the United States of America.

SEC. 2. If, on the other hand, the opinion of the Attorney-General of the United States shall be adverse to the contention of the State of California, either in whole or in part, then, and in that event, the Surveyor-General of the State of California is hereby empowered to make a report of the facts concerning said controversy to the Governor of the State of California and to the Attorney-General of the State of California, and present with such report a copy of the opinion of the Attorney-General of the United States; thereafter the Surveyor-General of the State of California and the Governor of the State of California and the Attorney-General of the State of California are authorized and directed to make such examination of the law and the facts as will enable them to determine whether the opinion of the Attorney-General of the United States is well founded in whole or in part; if they find that the opinion of the Attorney-General of the United States is well founded in whole or in part, then the Surveyor-General, as Register of the State Land Office, shall prepare a patent in the name of the State of California in favor of the United States of America, to such portion of the sixteenth and thirty-sixth sections contained in the San Jacinto Forest Reserve as will equal in area the number of acres so ascertained and determined to have been unlawfully listed, and said patent shall be executed by the same officers and in the same manner as other patents are executed, and the Register of the State Land Office shall record said patent in his office, and thereafter shall cause the same to be delivered to the Secretary of the Interior at Washington, in the District of Columbia.

SEC. 3. Until such controversy is determined, in whole or in part, all of the provisions of Chapter I, Title VIII, Part III of the Political Code are hereby suspended as to all of the lands embraced in the San Jacinto Forest Reserve for which application to purchase has not been accepted and filed prior to February 14, 1907.

In the event that the said opinion of the Attorney-General of the United States is rendered in favor of the contention of the State of California, or if the Secretary of the Interior shall fail, on or before July 1, 1907, to enter into the stipulation mentioned in Section 1 of this Act, or if in the opinion of the Governor and Attorney-General and Surveyor-General of this State the claim of the United States is not well founded, either in whole or in part, then this section shall immediately cease to be operative. In the event that the opinion of the Attorney-General of the United States is unfavorable to the contention of the State of California, either in whole or in part, and said controversy is thereafter considered by the State officials as herein set forth, and any patent is thereafter executed conveying to the United States of America certain lands, then all the provisions of this section shall cease to be operative when said patent is recorded in the office of the Register of the State Land Office.

SEC. 4. Before the Surveyor General, as Register of the State Land Office, delivers to the United States of America any patent as herein provided, he shall enter into such stipulations with the Secretary of the Interior as may be necessary and proper to obtain a ruling from that officer upon all State selections, heretofore made and now pending in the office of the Commissioner of the General Land Office, for lands in lieu of the sixteenth and thirty-sixth sections.

SEC. 5. For the purpose of carrying out the provisions of this statute the sum of \$5,000.00 is hereby appropriated out of any money in the State treasury not otherwise appropriated, and the State Controller is hereby authorized to draw his warrant therefor, and the State Treasurer is hereby authorized and directed to pay said warrant.

SEC. 6. This Act shall take effect immediately.
